File No. Dentists II/52 (R)

Gen. 194 e.

586 - B

Section 28(1)(e) of the Dentists Act, 1948, provides that the State Council may with the previous sanction of the State Government fix the rate of allowances payable to the members of the State Council. Under this provision, it is not necessary to frame any rules and publish them. Moreover, the rate of allowances has to be fixed by the Council and the State Government has only to sanction the rates of allowances determined by the Council. A draft Order for the purpose is therefore sent herewith.
